DEMAND FOR JURY TRIAL

COMPLAINT FOR CYBERSQUATTING,

TRADEMARK INFRINGEMENT AND UNFAIR COMPETITION

I. JURISDICTION, VENUE AND INTRADISTRICT ASSIGNMENT

1. This Court has jurisdiction because this action arises under the Trademark Act of 1946, as amended, (the "Lanham Act"), and, therefore, 28 U.S.C. § 1338(a) and (b) confer jurisdiction.

2. This Court also has jurisdiction because this is a civil action between citizens of different states and the matter in controversy exceeds the sum or value of \$75,000, exclusive of interests and costs. This Court has jurisdiction over the state law claims under the principles of supplemental jurisdiction pursuant to 28 U.S.C. § 1367(a).

3. Venue is proper in this Court under 28 U.S.C. § 1391(a) because a substantial part of the events or omissions giving rise to the claims occurred in this judicial district.

4. Pursuant to Civil Local Rule 3-2 this action is properly brought in the San Jose Division.

II. THE PARTIES

5. Plaintiff, Reliant Technologies, is a Delaware corporation with its principal place of business at 464 Ellis Street, Mountain View, California 94043 ("Reliant").

6. Defendant, Robert Lane McDaniel is an individual with an address at 4919 Natural Bridge, Kingwood, Texas 77345 ("Defendant").

III. FACTS

A. Reliant and the FRAXEL Brand

7. Reliant is in the business of developing clinical solutions for the rejuvenation of aging and environmentally damaged skin.

8. Since long prior to the acts of Defendant alleged herein, Reliant has advertised and sold FRAXEL medical laser systems for the administration of skin resurfacing treatments.

9. In addition to FRAXEL, Reliant also sells laser systems under the

1 FRAXEL RE:PAIR, the FRAXEL RE:STORE and the FRAXEL RE:FINE marks.

2 10. Long prior to Defendant's conduct described herein, Reliant has
3 continuously used the inherently distinctive FRAXEL mark for its products throughout the
4 United States and internationally. As a result, the FRAXEL brand has quickly become known in
5 the industry in association with Reliant's laser systems for aesthetic skin treatments.

6 11. As a result of Reliant's continuous and extensive marketing and sales and
7 the resulting widespread use of its FRAXEL mark, the public has come to recognize and
8 associate the FRAXEL mark with Reliant and its products. Consequently, FRAXEL is an
9 extraordinarily well-known mark, and Reliant has come to own an enormously valuable goodwill
10 symbolized by the FRAXEL mark.

11 12. Reliant owns, among others, U.S. Registration No. 2974491 for FRAXEL
12 for "medical lasers" (the "FRAXEL Marks").

13 13. Reliant has sold over one hundred million dollars worth of its products
14 under the FRAXEL Marks in the United States and has spent substantial sums in advertising its
15 product under the FRAXEL Marks.

16 14. As a result of such extensive sales and advertising, the FRAXEL Marks
17 represent extraordinarily valuable goodwill owned by Reliant.

18 15. Reliant also maintains an active Internet presence to promote its goods.
19 Reliant's primary website is located at <www.fraxel.com>.

20 **B. Defendant's Infringing Conduct**

21 16. Upon information and belief, Defendant is a cybersquatter who registers
22 domain names identical with and confusingly similar to well-known trademarks and service
23 marks.

24 17. Long after Reliant's FRAXEL marks became well-known, Defendant
25 registered the following fifty-seven (57) domain names ("the Infringing Domain Names"):

- 26 a. fraxelbaltimore.com
- 27 b. fraxelbeverlyhills.com
- 28 c. fraxelboston.com

23 bbb. sanfranciscofraxel.com
24 ccc. sanjosefraxel.com
25 ddd. seattlefraxel.com
26 eee. stlouisfraxel.com

27 18. Defendant currently uses the Infringing Domain Names to direct Internet
28 users to websites that link to various commercial websites, several of which offer skin laser and

1 care products which compete with those offered by Reliant. Representative printouts from the
2 web sites located at the Infringing Domain Names are attached hereto as **Exhibit A**.

3 19. The Infringing Domain Names are confusingly similar to the FRAXEL
4 Marks because they combine the distinctive and well known FRAXEL mark in its entirety with
5 common, geographically descriptive terms.

6 20. Defendant's use of the FRAXEL Marks in connection with the Infringing
7 Domain Names is likely to cause confusion, mistake and deception as to source, sponsorship,
8 affiliation or endorsement, with Reliant and its FRAXEL Marks.

9 21. Defendant's use of FRAXEL in connection with the Infringing Domain
10 Names deceptively represents that websites accessible under the Infringing Domain Names are
11 related to or authorized by Reliant.

12 22. On information and belief, Defendant's actions have been and continue to
13 be committed intentionally with full knowledge of Reliant's prior rights in its FRAXEL marks
14 and the fact that such actions are likely to cause confusion, mistake or deception, and in a
15 deliberate attempt to trade on Reliant's goodwill.

16 **FIRST CLAIM FOR RELIEF**

17 **(CYBERSQUATTING)**

18 23. Reliant re-alleges paragraphs 1 through 22, as if fully set forth herein.

19 24. On information and belief, Defendant does not have any trademark or
20 other intellectual property rights in the Infringing Domain Names, or any other term identical
21 with or similar to the FRAXEL mark.

22 25. On information and belief, the Infringing Domain Names do not consist of
23 the legal name of Defendant or a name that is commonly used to identify Defendant.

24 26. On information and belief, Defendant made no legitimate use of any term
25 identical or similar to the FRAXEL mark before registering the Infringing Domain Names.

26 27. On information and belief, Defendant has used, and intends to continue
27 using, the Infringing Domain Names to divert Internet users from Reliant's websites to
28 competing websites accessible under the Infringing Domain Names for commercial gain by

1 creating a likelihood of confusion as to the source, sponsorship, affiliation or endorsement of
2 those sites.

3 28. On information and belief, Defendant's use of the Infringing Domain
4 Names has been and continues to be made with bad faith intent to profit from the FRAXEL
5 Marks.

6 29. Defendant's actions constitute cybersquatting in violation of the Anti-
7 Cybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d).

8 30. Defendant's acts greatly and irreparably injure Reliant and will continue to
9 so injure Reliant unless restrained by this Court; wherefore, Reliant is without an adequate
10 remedy at law.

11 **SECOND CLAIM FOR RELIEF**

12 **(TRADEMARK INFRINGEMENT)**

13 31. Reliant re-alleges paragraphs 1 through 30, as if fully set forth herein.

14 32. Defendant's acts have caused or are likely to cause confusion, mistake or
15 deception as to the source or origin, sponsorship or approval of the Defendant or its goods or
16 services, in that purchasers and others in this judicial district and elsewhere in the United States
17 are likely to believe that Defendant is associated with or related to Reliant and is authorized by
18 Reliant to market and advertise under the FRAXEL Marks.

19 33. Defendant's acts injure Reliant's image and reputation with consumers in
20 this judicial district and elsewhere in the United States by creating confusion about, and
21 dissatisfaction with, Reliant and its FRAXEL Marks.

22 34. Defendant's deliberate use of FRAXEL in the Infringing Domain Names
23 constitutes trademark infringement of FRAXEL in violation of Section 32 of the Lanham Act, 15
24 U.S.C. § 1114.

25 35. Defendant's acts greatly and irreparably damage Reliant and will continue
26 to so damage Reliant unless restrained by this Court; wherefore, Reliant is without an adequate
27 remedy at law.

28 ///

1 **THIRD CLAIM FOR RELIEF**

2 **(UNFAIR COMPETITION)**

3 36. Reliant re-alleges paragraphs 1 through 35 as if fully set forth herein.

4 37. Defendant's acts constitute unfair competition with Reliant in violation of
5 Section 43(a) of the Lanham Act, 15 U.S.C. § 1125(a), and the common law of the various
6 states, including California.

7 38. Defendant's acts greatly and irreparably damage Reliant and will continue
8 to so damage Reliant unless restrained by this Court; wherefore, Reliant is without an adequate
9 remedy at law.

10 **FOURTH CLAIM FOR RELIEF**

11 **(UNFAIR COMPETITION IN VIOLATION OF CALIFORNIA**

12 **BUSINESS & PROFESSIONS CODE SECTION 17200 et seq.)**

13 39. Reliant re-alleges paragraphs 1 through 38, as if fully set forth herein.

14 40. Defendant's acts constitute unfair competition in violation of and
15 California Unfair Practices Act, Cal Bus. & Prof. Code § 17200 et seq.

16 41. Defendant's acts greatly and irreparably damage Reliant and will continue
17 to so damage Reliant unless restrained by this Court; wherefore, Reliant is without an adequate
18 remedy at law.

19 **PRAYER**

20 WHEREFORE, Reliant prays:

21 1. That Defendant, and all persons acting in concert or participating with
22 Defendant, be preliminarily and permanently enjoined from:

23 a) registering or maintaining any registrations of the Infringing Domain Names or
24 any other names, marks, words, designations or symbols consisting of, incorporating in whole or
25 part, or otherwise confusingly similar to the FRAXEL Marks or any other trade names,
26 trademarks or service marks of Reliant;

27 b) using or claiming ownership of the Infringing Domain Names or any other names,
28 marks, words, designations or symbols consisting of, incorporating in whole or part, or otherwise

1 confusingly similar to the FRAXEL Marks or any other trade names, trademarks or service
2 marks of Reliant;

3 c) using any names, marks, words, designations or symbols consisting of,
4 incorporating in whole or part, or otherwise similar to the FRAXEL Marks or any other trade
5 names, trademarks or service marks of Reliant anywhere on any web site or web sites of
6 Defendant;

7 d) using any names, marks, words, designations or symbols consisting of,
8 incorporating in whole or part, or otherwise similar to the FRAXEL Marks or any other Reliant
9 trade names, trademarks or service marks of Reliant in any buried code, metatags, search terms,
10 keywords, key terms, hits generating pages, or any other devices used, intended, or likely to
11 cause any web site or web sites of Defendant to be listed by any Internet search engines in
12 response to any searches that include any terms identical with or confusingly similar to the
13 FRAXEL Marks or any other trade names, trademarks or service marks of Reliant;

14 e) offering for sale the Infringing Domain Names or any other names, marks, words,
15 designations or symbols consisting of, incorporating in whole or part, or otherwise confusingly
16 similar to the FRAXEL Marks or any other trade names, trademarks or service marks of Reliant;

17 f) transferring, to any person or entity other than Reliant, the Infringing Domain
18 Names, or any other names, marks, words, designations or symbols consisting of, incorporating
19 in whole or part, or otherwise confusingly similar to the FRAXEL Marks or any other trade
20 names, trademarks or service marks of Reliant;

21 g) using any names, marks, words, designations or symbols consisting of,
22 incorporating in whole or part, or otherwise similar to the FRAXEL Marks or any other trade
23 names, trademarks or service marks of Reliant in any e-mail or other marketing solicitations sent
24 to consumers;

25 h) otherwise infringing the trade names, trademarks or service marks of Reliant;

26 i) making any description or representation stating or implying that Defendant's
27 goods or services, domain names or web sites are in any way affiliated, associated, authorized,
28 sponsored, endorsed or otherwise connected with Reliant; and

j) engaging in any other conduct that is likely to cause confusion or to cause mistake or to deceive as to the source, affiliation, connection or association of Defendant's domain names, web sites, products or services with Reliant.

2. That Defendant be ordered to disclose to the Court and Reliant all other domain name registrations owned directly or indirectly by Defendant, or by entities in which Defendant has a financial interest, to permit the Court and Reliant to consider whether any such other registrations should be subject to relief in this matter.

3. That Defendant, and all persons acting in concert or participating with Defendant, be ordered to transfer to Reliant the Infringing Domain Names and any other infringing domain names as may be determined by the Court as appropriate herein for relief. 15 U.S.C. § 1125(d)(1)(C).

4. That Defendant be ordered to pay statutory damages in the amount of \$100,000.00 per infringing domain name, for a total statutory damages award of \$5,700,000.00 for the Infringing Domain Names. 15 U.S.C. § 1117(d).

5. That Defendant be ordered to pay Reliant all profits realized by Defendant by reason of their unlawful acts as set forth in this Complaint. 15 U.S.C. § 1117(a).

6. That Defendant be ordered to pay Reliant all damages suffered by Reliant by reason of Defendant's cybersquatting and trademark infringement as set forth in this Complaint. 15 U.S.C. §§ 1117(a).

7. That the Court award Reliant three times the damages suffered by reason of the intentional, unlawful acts of Defendant as set forth in this Complaint. 15 U.S.C. §§ 1117(a).

8. That Defendant be required to file with this Court and serve on the undersigned counsel for Reliant, within thirty (30) days after the entry of judgment, a written report under oath setting forth in detail the manner in which Defendant has complied with the injunction ordered by this Court. 15 U.S.C. § 1116.

9. That Defendant be ordered to pay to Reliant the costs of this action and its reasonable attorneys' fees. 15 U.S.C. §§ 1117(a).

1 10. That Reliant shall have such other relief as this Court may deem just and
2 proper.
